

The Department of Computer Science, Chair for Security in Information Technology (Prof. Dr. Michael Waidner) is soliciting applications to fill the position of a

Post-doc in Security and Privacy

Code: 2011-01

We are seeking candidates who have a finished Doctorate or PhD in Computer Science or related field, on a topic in an applied area of security and privacy. Our team is working regularly with other research groups in industry and academia, and in particular with our sister organization, [Fraunhofer SIT](#) in Darmstadt. Thus candidates must be willing to work in a cross-organizational and interdisciplinary environment.

We expect excellent research and active participation in the teaching program of the Chair for Security in Information Technology. We offer the opportunity to do independent research and teaching, and work with one of the best security research organizations in Germany. We are actively supporting publication and presentation of research at the top international conferences.

The position is not bound to a specific project, but we expect contributions in one of more of the following areas:

- Usable technologies for privacy, transparency and identity management in Internet-based applications.
- Secure software engineering, tools and methods for security testing, quantification of security and privacy.
- Security, privacy and forensics in virtualized environments and cloud computing / cloud storage.

The position is initially limited to 3 years but may be extended. Compensation follows the Tarifvertrag für die Technische Universität Darmstadt (TV - TU Darmstadt). The Technische Universität Darmstadt aims at increasing the number of female researchers and therefore explicitly encourages women to apply. Severely handicapped will be preferred, given equal qualification.

Applications must include:

- Professional CV
- List of publications and copies of two selected publications
- Copies of diplomas and certificates
- Two or more references

Applicants are kindly requested to send their application, in German or English, by [✉ email: puechner\(a-t\)informatik.tu-darmstadt.de](mailto:puechner(a-t)informatik.tu-darmstadt.de), or by letter to:
